## **Equipment Rentals:**

To make the most of our trip and ensure we hit the slopes as soon as we arrive, we recommend renting skis for the full season and bringing them to the bus drop on the day of the trip. This approach not only saves you time and money but also avoids potential

delays. You can find rentals at any local ski shop or at Pelican Sports Center, located at 2980 Route 10, Morris Plains, NJ 07950. While rentals are available at the mountain, getting our gear ahead of time will help us maximize our skiing time right from the start!

Attached are the following documents that we ask both the child and parent to sign:

- Administrative Information
- Ski Group Rules
- Ski Safety Tips

If you have any questions at all regarding the 2024 Ski Club Season, please contact Vito the Director at [support@rydentours.com](mailto:support@rydentours.com) or call 917-797-4854. Email is always the preferred way of communication.

### **Food:**

Since a Season Pass is included, you can enjoy discounts on food and beverages during the Winter 2024/2025 season! You'll receive 15% off all food and beverage purchases at all Mountain Creek restaurants and dining facilities. Just keep in mind that this discount doesn't apply to Red Bull, or pre-packaged products. It's a great way to save while you enjoy your time on the mountain!
